

New Hampshire Substance Use Disorder Treatment Infrastructure Expansion

OFFICIAL RESPONSES TO VENDOR QUESTIONS RFP 16-DHHS-DCBCS-BDAS-04

No.	Question	Answer
1)	Section 1.1 - Purpose and Overview Is the Department seeking one vendor to provide services statewide or is the Department awarding several contracts to ensure statewide coverage?	The Department will award funds to one or more vendors to ensure maximum coverage.
2)	Section 3.1.2 a) Does this mean the covered populations are NH residents (or homeless in NH) who are age 12 and over (or under age 12 with permission) regardless of insurance coverage or 3 rd party payer coverage? b) Is the covered population any individual with a substance use disorder who is a resident of NH or homeless in NH? c) Who is not eligible to receive services?	a) Yes, services must be available to all individuals regardless of the payer. b) Yes. c) The RFP does not include criteria for ineligibility outside of the funding restrictions associated with the funding source.
3)	Section 3.2 – Scope of Services Is the use of WITS required for services funded through this funding?	No.

New Hampshire Substance Use Disorder Treatment Infrastructure Expansion

No.	Question	Answer
4)	Section 4 – Finance What is the price limitation for this RFP? What is the anticipated amount of funding available each state fiscal year?	<p>a) A minimum of \$1,000,000 is available through 6/30/17. The Department may exceed this amount dependent upon the proposals received.</p> <p>b) The Department is seeking cost proposals that demonstrate an agency's actual costs associated with developing new services or expanding capacity in existing services. This means the Department expects some proposals to demonstrate higher costs in State Fiscal Year 2016 and some proposals to demonstrate higher costs in State Fiscal Year 2017, depending on whether the agency is developing new services or expanding capacity in existing services.</p>
5)	Section 4 – Finance What do you assume would be the average award for each state fiscal year?	None anticipated.
6)	Section 4 – Finance Is this a 'fee-for-service' contract?	No.
7)	Section 4.1 Review of CFDA 93.959 does not explicitly state what costs are allowable under the Block grant. <p>a) What can the funds be spent on?</p> <p>b) Is there a 5% cap on administrative costs?</p>	<p>a) Funds can be used to develop new services or expand capacity in existing services. Unallowable costs are outlined in 45CFR96 Subpart L 96.135 (http://www.ecfr.gov/cgi-bin/text-idx?SID=cf9878c1b97c8a35549680cc8af14731&node=pt45.1.96&rgn=dv5#se45.1.96_1135).</p> <p>b) The 5% cap applies to the Department, not to the vendors.</p>

New Hampshire Substance Use Disorder Treatment Infrastructure Expansion

No.	Question	Answer
8)	Section 4.1 Can the funding be used to supplement existing services that may close if additional funding is not available?	No. Funding can only be used to develop new services or expand capacity in existing services.
9)	Section 4.1 Are the funds only for new or expanded services?	Yes.
10)	Section 4.1 If we need to make renovations to a facility in order to have it licensed as a residential treatment facility, are the renovation costs allowable?	No.
11)	Section 4.1 Can equipment be purchased?	Yes, if the equipment is directly related to develop new services or expand capacity in existing services.
12)	Section 4.1 Can funds be used on information technology?	Yes, if the information technology is directly related to developing new services or expanding capacity in existing services.
